## **Advanced Pharmacy Practice Experiences**

---

### **CarePro Home Infusion – Elective Home Health Care Rotation** 04/2021 – 05/2021

Cedar Rapids, IA | Preceptor: Dr. Stewart Peterson, PharmD

- Contributed to the daily care of patients including multidisciplinary communication, care planning, medication histories and drug therapy monitoring. Worked with the pharmacist team to manage parenteral nutrition, IV antibiotics, inotropes, and pain management.

### **UIHC Internal Medicine – Acute Care Medicine Rotation** 03/2021 – 04/2021

Iowa City, IA | Preceptor: Dr. Stuart Pitman, PharmD

- Honors Designation
- Assisted preceptor with admission medication histories, medication reconciliation, daily review of medications, discharge reconciliation, lab monitoring and prospective pharmacotherapeutic recommendations for patients admitted to general medicine hospitalist services.

### **VAMC Ambulatory Care – Ambulatory Care Rotation** 01/2021 – 02/2021

Iowa City, IA | Preceptor: Dr. Abby Beane, PharmD

- Honors Designation
- Interviewed veterans, reviewed medication regimens, and managed pharmaceutical therapy for patients with various chronic disease states. Assisted in managing patients on anticoagulation by recommending adjustments to warfarin and follow-up based on veteran interview, current INR, and medication history. Appraised veteran non-formulary requests to determine appropriateness of drug, dosage regimen, and the avoidance of adverse drug reactions. Prepared a written response to a drug information question and presented on overbasalization and therapeutic inertia in type 2 diabetes.

### **Clark’s Pharmacy – Community Clinical Rotation** 11/2020 – 12/2020

Cedar Rapids, IA | Preceptor: Craig Clark, BS, Pharmacy

- Honors Designation
- Developed comprehensive COVID-19 vaccination preparation plan, promoted patient adherence, and completed CMRs through OutcomesMTM program, provided clinical recommendations following chart reviews for individuals in group home setting.

### **UIHC Advanced Ambulatory Care – Community Clinical Rotation** 10/2020 – 11/2020

Iowa City, IA | Preceptor: Dr. Connie Roe, PharmD

- Honors Designation
- Provided vaccine recommendations for transplant patients, applied guideline recommendations for asthma, diabetes and dyslipidemia to individual patient cases and documented recommendations within EMR, drafted new procedures for implementing

postmenopausal osteoporosis metric review and evaluated training documents, procedures, and vaccination protocol to make the process more user friendly and efficient.

**UIHC Transitional Care – Elective Transitions of Care Rotation** 08/2020 – 10/2020

Iowa City, IA | Preceptor: Dr. Diane Reist, PharmD, BCPS

- Honors Designation
- Performed comprehensive patient interviews to obtain complete medication history and accurate assessment of current disease state management, medication adherence, health literacy and barriers to care. Established therapeutic goals by understanding the goals of the patient. Initiated quality improvement project to evaluate association of social determinants of health and pharmacist led transitions of care clinic on 30-day readmission to encourage improving care coordination as patients transition from hospital to home.

**MercyOne Waterloo – Hospital Pharmacy Rotation** 07/2020 – 08/2020

Waterloo, IA | Preceptor: Dr. Joe Moore, PharmD, Dr. Erin Lockard, PharmD

- Completed training for sterile compounding of parenteral solutions in compliance with USP 797, assisted in therapeutic monitoring and drug optimization of inpatient antibiotic and DOAC treatment, presented formal case report to pharmacy staff on ICU antifungal treatment options.

**HyVee Pharmacy – Elective Community Rotation** 06/2020 – 07/2020

Cedar Rapids, IA | Preceptor: Dr. Tiffany Chaimberlain, PharmD

- Honors Designation
- Delivered drug therapy related education to patients, provided accurate answers to drug information requests of patients and preceptor, administered and provided timely follow up for CDC recommended immunizations and utilized Outcomes MTM and Equipp to optimize therapeutic outcomes and to collect complete medication histories.

**Introductory Pharmacy Practice Experiences**

---

**Cedar Rapids Family Medicine – IPPE Clinical** 10/2019

Cedar Rapids, IA | Preceptor: Dr. Kelly Hoenig, PharmD
