Otherwise, Licensee is prohibited from using Licensor's name or the name "Oak Ridge National Laboratory" in any such marking or any advertising, promotion or commercialization of Licensed Products without written approval of Licensor.
- 5.3 The rights and licenses granted by Licensor in this Agreement are personal to Licensee and may not be assigned or otherwise transferred in whole or in part except by merger or acquisition as may be otherwise permitted by the terms of this Agreement. If Licensee merges or is otherwise acquired by another entity that acquires substantially all of Licensee's business assets that relate to this Agreement, then Licensee may assign its rights and obligations under this Agreement to the merging or acquiring entity, effective on the date the merger or acquisition becomes effective, provided that all the following requirements have been satisfied in advance of the merger or acquisition:
 - 5.3.1 Licensee notifies Licensor within forty-five (45) calendar days prior to said merger or acquisition;

- 5.5 Licensee agrees that, in the event Licensee, by its own actions, or the action of any of its shareholders or creditors, files or has filed against it a case under the Bankruptcy Code of 1978, as previously or hereafter amended, licensor shall be entitled to relief from the automatic stay of Section 362 of Title 11 of the U.S. Code, as amended, to pursue any rights and remedies available to it under this Agreement. Licensee hereby waives the benefits of such automatic stay and consents and agrees to raise no objection to such relief.

**ARTICLE 6
RECORDS, REPORTS, AND ROYALTY PAYMENTS**

Licensee will maintain these records for a period of at least three (3) years after the end of the last Accounting Period to which the records refer. In the event an examination of Licensee's records reveals an underpayment of more than 5% of the correct Royalty amount, Licensee will pay all costs incurred by Licensor related to the examination of records in addition to paying the balance due.
- 6.2 Licensee will provide Licensor a written report for each Accounting Period during the Term of this Agreement, no later than thirty (30) days after the end of each Accounting Period, which identifies for such Accounting Period:

- (e) the total amount of Royalties due to Licensor.

The first such report will include this information for all Licensed Products Disposed of between the Effective Date and the end of the first Accounting Period.

- 6.3 Licensee will submit a written report to Licensor within thirty (30) days after the date of any termination or expiration of this Agreement which contains the same information required in 7.2 above for Licensed Products made, used, or Disposed of prior to such expiration or termination that were not previously reported to Licensor. At the time this report is submitted, Licensee will pay to Licensor all Royalties and any other consideration due Licensor.

**ARTICLE 7
BREACH AND TERMINATION**

- 7.1 This Agreement may be terminated by either Party for any material breach of the Agreement by the other Party. Such termination will be effective sixty (60) days after written notice specifying the breach to the other Party. If the specified breach is cured before the effective date of termination, the Agreement will not be terminated.
- 7.2 In the event Licensee either (a) fails to make payment to Licensor of Royalties or other consideration in accordance with this Agreement or (b) fails to satisfy the requirements of the Commercialization Plan in Exhibit C, Licensor may, at its sole discretion, terminate this Agreement with respect to specified Licensed Patents. There will be no reduction in any of the payments due from Licensee, including but not limited to Royalties.
- 7.3 In addition to termination, in the event of a material breach by Licensee, Licensor may pursue any rights and remedies available to it by law.
- 7.4 This Agreement will not be terminated for any breach that is the result of an act of God, acts or omissions of any government or agency thereof, compliance with rules, regulations, or orders of any governmental authority or any office, department, agency, or instrumentality thereof, fire, storm, flood, earthquake, accident, acts of the public enemy or terrorism, war, rebellion, insurrection, riot, sabotage, invasion, quarantine, restriction, transportation embargoes, or failures or delays in transportation.

SAMPLE AGREEMENT- FOR REFERENCE ONLY

- 7.5 Any termination of this Agreement will not impact Licensor's ownership interest, if any, in Licensee.
- 7.6 The rights and remedies granted herein, and any other rights or remedies which the Parties may have, either at law or in equity, are cumulative and not exclusive of others.
- 7.7 Neither Party will be relieved of any obligation or liability under this Agreement arising from any act or omission committed prior to the termination date. Upon termination, Licensee will execute any documents necessary to achieve the transfer to Licensor of all rights to which Licensor may be entitled under this Agreement.
- 7.8 Licensee may terminate this Agreement for any reason if Licensee provides Licensor with sixty (60) calendar days prior notice of its intent to terminate and pays Licensor all patent reimbursement fees owed at the time of termination, if applicable, and all other fees and Royalties due or the pro rata portion of any Minimum Annual Royalties due in, or at the end of, the year of termination under Exhibit B, whichever is greater.
- 7.9 This Agreement will terminate automatically upon a final adjudication of invalidity, unenforceability, or the extinguishment of all Licensed Patents, for any reason.
- 7.10 This Agreement will terminate automatically if Licensee contests the validity or enforceability of any Licensed Patent, or requests reexamination of any Licensed Patent.
- 7.11 Expiration or termination of this Agreement will be without prejudice to any rights that may have accrued to the benefit of a Party prior to such expiration or termination.

**ARTICLE 8
INFRINGEMENT**

- 8.1 Licensee will notify Licensor in writing of any suspected infringement of the Licensed Patents in the Field of Use, and each Party will inform the other of any evidence of such suspected infringement within a reasonable time of obtaining such evidence.
- 8.2 Licensor will have the right during the term of this Agreement to institute, prosecute, and settle at its own expense suits for infringement of the Licensed Patents for any infringement occurring within the Field of Use, and if required by law, Licensee will join as party plaintiff in such suit. Where such suit is brought by Licensor, Licensor will be entitled to retain all damages and any other consideration recovered at successful conclusion of the suit.

SAMPLE AGREEMENT- FOR REFERENCE ONLY

Settlement of any suit brought by Licensee will require the consent of Licensor and Licensee, which neither will unreasonably withhold from the other, and any settlement amount or recovery for damages will be applied as follows: (i) first, to reimburse the Parties for their expenses in connection with the litigation, including compensation for the time and expenses of any Licensor personnel involved in the suit, and (ii) second, the Parties will share any monies remaining in accordance with an agreement entered into between the Parties before such suit is brought.
- 8.4 Licensor will have the right in its absolute discretion during the Term of this Agreement to commence suits for infringement of the Licensed Patents for any infringement outside the Field of Use.
- 8.5 Notwithstanding the pendency of any infringement (or other) claim or action by or against Licensee, Licensee will have no right to reduce, terminate or suspend (or escrow) payment of any amounts required to be paid to Licensor pursuant to this Agreement.
